PAUL LEWIS

Realize Records Recording Artist
"Lewis' overall vocal range is impressive, including occasional a cappella bridges. Lewis presented his songs with infectious energy." Paul brings his acoustic performance, playing cover songs and originals. Previously, Paul played sold out crowds with the band YNOT? and we're looking forward to having him at Green Hill June 4th.

nancy miciulla

Armed with just a single guitar and trusty vocal cords, Nancy will bring a room to a standstill. Come hear Nancy on July 9th from 5 to 7p.

Alex Wersson

Alex Wersson is a 29 year old singer/songwriter from Salisbury, MD. He comes from a talented musical family; both parents are musicians, and his sister is an incredibly gifted singer and songwriter. If you haven't already seen them playing in our area, come June 18th and 25th. There is a bit of something for everyone in their music that comes directly from their hearts and into yours.
